Debtors.

**Benjamin T. Treschl and
Jacqueline L. Treschl,**

A.P. No.: _____

Plaintiffs,

American Honda Finance Corporation,
Defendant.

**COMPLAINT OBJECTING TO CLAIM
AND TO DETERMINE VALIDITY OF LIEN**

The Plaintiffs, above-named, respectfully allege as follows:

1. That this matter is a core proceeding pursuant to 28 U.S.C. § 157, and that the court has jurisdiction pursuant to 28 U.S.C. §§ 151, 157 and 1334.
2. This Complaint was filed, pursuant to 11 U.S.C. §§ 502(b)(1) and 506(d), and in accordance with Bankruptcy Rule 7001, for the purpose of determining the validity of the lien held by American Honda Finance Corporation.
3. The Plaintiffs filed this bankruptcy case on January 21, 2010, seeking protection under Chapter 13 of Title 11 of the United States Code.
4. The Defendant American Honda Finance Corporation is, upon information and belief, a corporation with an office and principal place of business located, as indicated on its Proof of Claim, at Post Office Box 168088, Irving TX 75016
5. The Plaintiffs own 2008 Honda Pilot, VIN 5FNYP28528B028473.
6. The fair market value of the said property is not greater than \$23,535.00.
7. That said vehicle is, upon information and belief, registered with the North Carolina Division

of Motor Vehicles.

8. That pursuant to 11 U.S.C. § 501 (a), on or about March 19, 2010, the Defendant filed a one-page Proof of Claim in the Plaintiffs' bankruptcy case, asserting that it holds security interest in such property with a payoff balance, as of the date this case was filed in the amount of approximately \$23,561.72.
9. Said Proof of Claim contains no supporting documentation.
10. That the Proof of Claim was not in compliance with the requirement of Bankruptcy Rule 3001(d), "accompanied by evidence that the security interest has been perfected."
11. That N.C.G.S. § 25-9-203(b), entitled "Attachment and Enforceability of Security Interests, Proceeds Supporting Obligations; Formal Requisites", provides:

(b) Enforceability. – Except as otherwise provided in subsections (c) through (I) of this section, a security interest is enforceable against the debtor and third parties with respect to the collateral only if:

- (1) Value has been given;
 - (2) The debtor has rights in the collateral or the power to transfer rights in the collateral to a secured party; and
 - (3) One of the following conditions is met:
 - a. The debtor has authenticated a security agreement that provides a description of the collateral and, if the security interest covers timber to be cut, a description of the land concerned;
 - b. The collateral is not a certificated security and is in the possession of the secured party under G.S. 25-9-313 pursuant to the debtor's security agreement;
 - c. The collateral is a certificated security in registered form and the security certificate has been delivered to the secured party under G.S. 25-8-301 pursuant to the debtor's security agreement; or
 - d. The collateral is deposit accounts, electronic chattel paper, investment property, letter-of-credit rights, or electronic documents, and the secured party has control under G.S. 25-7-106, 25-9-104, 25-9-105, 25-9-106, or 25-9-107 pursuant to the debtor's security agreement.
12. That, pursuant to N.C.G.S. § 25-9-102(7), "Authenticate" is defined to mean either "(A) to sign; or (B) to execute or otherwise adopt a symbol or encrypt, or similarly process a record in whole or in part, with the present intent of the authenticating person to identify the person and adopt or accept a record."
 13. That, pursuant to N.C.G.S. § 25-9-108(a), "a description of personal or real property is sufficient, whether or not it is specific, if it reasonably identifies what is described."
 14. That the Promissory Note and Security Agreement accompanying the Proof of Claim does

not constitute, pursuant to N.C.G.S. § 25-9-203(b)(3)(A), an authenticated security agreement that provides a description of the collateral.

15. That pursuant to N.C.G.S. § 20-58(a)(2), if a vehicle is registered in North Carolina, a security interest is perfected only if:

... the application for notation of a security interest shall be in the form prescribed by the Division, signed by the debtor, and contain the date of application of each security interest, and name and address of the secured party from whom information concerning the security interest may be obtained. The application must be accompanied by the existing certificate of title unless in the possession of a prior secured party. If there is an existing certificate of title issued by this or any other jurisdiction in the possession of a prior secured party, the application for notation of the security interest shall in addition contain the name and address of such prior secured party. An application for notation of a security interest may be signed by the secured party instead of the debtor when the application is accompanied by documentary evidence of the applicant's security interest in that motor vehicle signed by the debtor and by affidavit of the applicant stating the reason the debtor did not sign the application. In the event the certificate cannot be obtained for recordation of the security interest, when title remains in the name of the debtor, the Division shall cancel the certificate and issue a new certificate of title listing all the respective security interests.

16. That Defendant has not presented sufficient comment evidence that it has an authenticated security interest from the Debtor nor that it holds a validly perfected lien, recorded in compliance with N.C.G.S. § 20-58(a)(2).
17. Accordingly, the security interest of the Defendant is unenforceable.
18. Pursuant to 11 U.S.C. § 502(b)(1) the secured claim of Defendant should be disallowed as it is “unenforceable against the debtor and property of the debtor, under ... applicable law for a reason other than because such claim is contingent or unmaturing....”
19. Pursuant to 11 U.S.C. 506 (d) such claim is not being disallowed:
 - a. Pursuant to 11 U.S.C. § 502(b)(5), which relates to debts that are unmaturing on the date of filing and are excepted from discharge under 11 U.S.C. § 523(a)(5);
 - b. Pursuant to 11 U.S.C. § 502(e), which relates to claims for reimbursement or contribution of an entity that is liable with the debtor or has secured the claim of a creditor; nor
 - c. Due only to the failure of any entity to file a Proof of Claim under 11 U.S.C. § 501.
20. In turn, pursuant to 11 U.S.C. 506(d), the lien securing said loan is void.

WHEREFORE, the Plaintiffs pray the Court find that said claim held by American Honda Finance Corporation, which is secured by a lien upon said property, to be void, and that said claim should therefore be an unsecured claim for the purpose of this Chapter 13 case. The Plaintiff further prays that the Court order American Honda Finance Corporation to cancel the said lien forthwith. Further,

the Plaintiffs pray that American Honda Finance Corporation be stayed from filing an amended Proof of Claim during the pendency of this Adversary Proceeding. The Plaintiffs additionally pray that the attorney for the Plaintiffs be awarded attorneys fees to be paid from the assets of the estate pursuant to 11 U.S.C. § 330(a)(4)(B) and that the Court grant such other and further relief as to the Court seems just and proper.
